LETTER OF RECOMMENDATION

Hellerup, March 8th 2025

To Whom It May Concern,

Giulia has been an intern and part of our team from January 13th to April 4th 2025. Her tasks in the studio have consisted of project planning, space planning, and mood boards, as well as renderings of interior design projects, product sketches, and design and development. She has also contributed to commenting on samples, photo editing, and styling.

Giulia is characterized by performing her work meticulously. Throughout her internship, she has demonstrated a constant interest in learning and developing her skills. She is always open to new challenges and tasks, which she handles with great motivation. Exceptionally structured and responsible, it is a pleasure too see Giulia developing her skills. Her presentations are always accompanied by thoughtful designs and detailed information, reflecting her aim to deliver high quality.

One of Giulia's standout qualities is her ability to adapt effortlessly to new work environments and tasks. She approaches every challenge with enthusiasm and confidence. Giulia has excellent teamwork skills: she respects different opinions and is adept at finding balanced solutions that satisfy all parties involved. Her kind personality shines through in everything she does, making her a joy to work with. She is an exceptional colleague with a wide array of skills and a collaborative spirit that is an asset to any company.

Her interest in diverse design areas such as product design, interior design, and architecture gives her a complete and versatile profile as a designer. Giulia is cheerful, gentle, and incredibly pleasant to be around, and she consistently brings positive energy to the workplace.

Giulia has been a highly valued member of our team for the past months, and we are truly sad to see her go. I have no doubt that Giulia will exceed expectations and make the most of any opportunity she pursues. I can sincerely give Giulia my very best recommendations and wish her all the best for a bright and happy future.

Kind regards,
Julie Brandt
